## Chapter 1

Once there was a boy riding his bike. He went over a big bump. He fell off his bike and went flying into a trap door. It was covered with leaves. He was in Ghost Zone! He didn't know where he was but he saw a sign that said Ghost Zone. He knew where he was now.

He heard ghosts. They  
sounded like this.

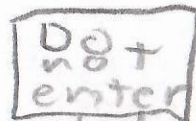

He He He He He He

It annoyed him.

They all floated together and made a  
giant ghost. It floated  
toward him. He

ran. He was scared.  
He stopped at a  
big house that said  
ghost house. There  
was a sign, it said do  
not enter.

He went in  
any way. There was  
1 million ghosts. He  
ran out. The  
giant ghost was  
there. There was  
nowhere else to  
go. The giant ghost  
picked him up.

He floated 2 thousand  
miles. He dropped  
him into a 10  
feet deep hole.  
There was a big  
bone in it.

## Chapter 2

Lucky he had  
a back pack on,  
He brought a  
pick ax and a  
rope. He tied one  
end of the rope  
to his waist and  
another to the top  
of the hole by  
making a loop  
in the rope and  
throwing it on a  
hook at the top.  
He tried to climb  
up with the pick  
ax. But the rope  
fell off the hook  
and he fell!

He wasn't dead.  
He tried it again,  
He made it!  
Then he found his  
friend. But it wasn't  
really his friend,  
it was a ghost!  
It floated through  
him. It didn't do  
any thing. He shout-  
ed a h h h h h h h h  
h h h h h h h h h,

The giant ghost  
came back. He  
picked him up and  
put him on a  
clif. There was  
water at the  
bottem. The giant  
ghost pushed him  
off! He was still  
alive!
